INWIT: LISTING ON THE MAIN FTSE MIB INDEX FROM 22/06

Ferigo: important recognition for the new enterprise

Rome, 3 June 2020 – INWIT S.p.A. shares will be listed as of Monday 22 June on the main index of Borsa Italiana, FTSE MIB.

Exactly 5 years from the first day of listing, 22 June 2015, the ‘promotion’ to the main index (INWIT is currently listed on the FTSE ITALIA Mid Cap index) was decided by the FTSE Index Series Technical Committee and announced to the market by FTSE Russell.

Every three months the Technical Committee reviews the shares listed on the various indexes on the basis of technical parameters linked to capitalisation, floating stock and liquidity.

“INWIT’s entry to the main index of Borsa Italia,” remarked the Chief Executive Officer of the Company, Giovanni Ferigo, “marks important recognition of the solidity and potential of the enterprise created from the incorporation of Vodafone Towers. INWIT is now the main wireless telecommunications infrastructure operator in Italy and has the know-how and resources to best support the growth of the sector and of the country, expanding the volume of its activities also thanks to innovative businesses. We are certain that the company will be able to meet the expectations of the shareholders and all its stakeholders.”
