INWIT: ANDREA MONDO HEAD OF TECHNOLOGY AND OPERATIONS, KEY MANAGER FROM 28 MARCH.

Rome 24 March 2022 – The Board of Directors of Infrastrutture Wireless Italiane S.p.A. (INWIT), which met today chaired by Emanuele Tournon, has assessed the adequacy of the general organisational, administrative and accounting structure and updated the perimeter of key managers, qualifying as such Andrea Mondo, who will become head of the Technology & Operations department as of 28 March 2022. He does not hold any ordinary INWIT shares.

Mr Mondo boasts an impressive background in the TLC sector and consolidated experience in the management of company transformation at national and international level. In his new role, he will report directly to the Chief Executive Officer and be responsible for defining the company's technological evolution and managing all technical/operating processes related to the acquisition, deployment and operation of infrastructure.

The Board of Directors also authorised, given the term of the previous resolution, the issue of one or more non-convertible bonds for the unused part of the Euro Medium Term Notes Programme

“We are immensely pleased to welcome Andrea Mondo to the role of Technology & Operations Manager. Andrea’s passion, renowned experience and excellent leadership skills will be crucial to our commitment to being a company at the forefront of innovation and to guaranteeing excellence in the execution phases”, said **Giovanni Ferigo**, Chief Executive Officer of INWIT.
