

Quentin Le Cloarec:

Quentin Le Cloarec joined Crédit Agricole Assurances (« CAA ») in 2019. He has since then been involved in the management of portfolio companies, as well as in most of the transaction opportunities CAA has pursued.

Over the last 6 years, Quentin was involved in a dozen of major deals covering the full spectrum of infrastructure (mostly renewables, telecom and transportation), with c. €6bn of invested capital.

He was promoted as the Head of Infrastructure Investments at CAA in January 2022, hence managing the €12bn+ AuM of CAA in the infrastructure space, most of which is allocated to direct equity

investments (as well as listed infrastructure and FoF activities to a lesser extent).

He worked previously as a transaction services professional at EY Paris, conducting financial due diligences in various sectors for both PE funds and Corporates.

He also has experience in the M&A field.

Quentin graduated from Essec Business School (Paris), with a major in corporate finance.
