REMUNERATION COMMITTEE**

(AMENDED BY BOARD OF DIRECTORS' RESOLUTION OF 16 JUNE 2025)

ARTICLE 1 – COMPOSITION AND APPOINTMENT

1.1 The Nomination and Remuneration Committee (hereinafter referred to as “Committee”) of Infrastrutture Wireless Italiane S.p.A. (hereinafter also referred to as the “**Company**” or “**INWIT**”) shall be set up by resolution of the Board of Directors pursuant to Article 18.4 of the Bylaws, implementing the recommendations of the Corporate Governance Code approved by the Corporate Governance Committee of Borsa Italiana S.p.A. (hereinafter the “**Code**”), to which INWIT adheres, in compliance with Article 6 of the Corporate Governance Principles.

1.2 The Board of Directors shall appoint and remove the members of the Committee, establishing the number of members (preferably an odd number and in any case no less than three). When deciding on the composition of the Committee, the Board of Directors shall prioritise the expertise and experience of its members, avoiding an excessive concentration of positions in this area. The Committee is made up of non-executive directors, the majority of whom are independent.

1.3 The Committee members must be adequately skilled with respect to the duties they are called on to perform. At least one member of the Committee shall have adequate knowledge of and expertise in financial matters or remuneration policies in agreement with the recommendations of the Code. This shall be assessed by the Board of Directors at the time of appointment.

1.4 The Board of Directors shall appoint a Chairman for the Committee, selected from the independent members, who shall coordinate the meetings and act as a spokesperson reporting to the Board of Directors and its Chairman. In the case of the absence or impediment of the Chairman, the oldest member of the Committee present shall preside. The Chairman of the Board of Directors, deemed independent by the latter, may not chair the Committee.

1.5 The Secretary of the Board of Directors shall act as Secretary and assist the Committee in the execution of its functions.

ARTICLE 2 – OPERATING PROCEDURES

2.1 The Committee meets as frequently as required to perform its functions. The Chairman of the Committee shall call meetings on his/her own initiative, or at the request of at least two members of the same Committee. The call for a meeting may also come from the Chairman of the Board of Directors, the Chief Executive Officer/ General Manager or the Chairman of the Board of Statutory Auditors.

2.2 The call notice contains an indication of the place, the date and the time of the meeting, as well as the list of the matters to be dealt with. The notice shall be sent by the Secretary or his/her offices, at the request of the Chairman, by suitable means in view of the notice period, i.e. generally no less than three days, except in cases of urgency, when the meeting shall in any case be called with at least twelve hours’ notice. A copy of the notice shall be sent to the Chairman of the Board of Statutory Auditors, and, for information, to the Chairman of the

Board of Directors and to the Chief Executive Officer/ General Manager.

2.3 Any documentation regarding the items on the agenda shall be made available to the Committee members and to the Chairman of the Board of Statutory Auditors, normally at the time the meeting is called and in any case as early as permitted by the circumstances, in the same ways used for the distribution of materials before meetings of the Board of Directors.

2.4 The Committee shall be validly constituted (in person or via audio or video conferencing) if the majority of the members in office are present and it shall make decisions by an absolute majority of those present; if the voting ends in a tie, the decision shall be deferred to the following meeting. The Chairman of the Committee may invite the Chairman of the Board of Directors, the Chief Executive Officer/ General Manager and, by informing the latter, the managers of the corporate functions that are competent on the matters of the committee meeting, to individual committee's meetings. The members of the control body can attend the meetings of the Committee. No director can take part in the meetings of the Committee in which proposals relating to his or her remuneration are made. Where deemed appropriate in relation to the issues to be dealt with, the Committee may meet jointly, or partially jointly, with the other internal committees and the Board of Statutory Auditors.

2.5 The decisions of the Committee shall be recorded in the minutes signed by the Chairman of the meeting and the Secretary, which shall be made available to the Chairman of the Board of Directors and the Chairman of the Board of Statutory Auditors.

2.6 The Committee reports to the Board of Directors, in the most appropriate way, on the activities carried out, and in any case from time to time at the first convenient meeting, through its own Chairman, or, in his/her absence, the oldest member.

2.7 For any matters not governed by this Regulation (including the procedures for protecting the confidentiality and data of information provided), the operating procedures of the Board of Directors shall apply to the Committee, insofar as they are compatible.

ARTICLE 3 – DUTIES

3.1 The Committee carries out the duties pertaining to fact-finding, providing consultancy and making proposals attributed to it by the Company's Corporate Governance Principles.

ARTICLE 4 – POWERS AND MEANS

4.1 The Committee shall be entitled to access the company departments and information needed to execute its duties. It can make use of the Company's financial resources, departments or external consultants of its choice, at the Company's expense, within the limits of the company budget or with the prior approval of the Board of Directors.

4.2 The Committee carries out its role of fact-finding, providing consultancy and making proposals essentially to the full board, directly or in coordination with the Chairman of the Board of Directors. It may also provide guidance and recommendations directly to the Chief

Executive Officer/ General Manager and, through the latter, to the management, notifying the Chairman of the Board of Directors of this in a timely manner.
